

**PRESS RELEASE**

**Subject: Hellenic Competition Commission – Sector Inquiry in the field of production, distribution and marketing of basic consumer goods and in particular food products as well as cleaning and personal hygiene products - Interim Report**

The Hellenic Competition Commission (HCC) published today 13.04.2020 its Interim Report for the sector inquiry in the field of production, distribution and marketing of basic consumer distributed by super markets, [which you can find here \(in Greek\)](#).

You can also find the [Summary of the Interim Report here](#).

Interested parties are invited to [take part in the public consultation](#), by participating in the relevant teleconference, which will be organized by the HCC between May 17-31, 2020, and / or by submitting their views in writing to [Supermarkets2020@epant.gr](mailto:Supermarkets2020@epant.gr).

Following the assessment of the data resulting from the public consultation, the Final Report will be published in no later than 4 months (i.e. until 31.07.2020).

[More on the applicable administrative timetable, here](#).
